Employment & Affiliations

Associate Professor, LBJ School of Public Affairs, University of Texas at Austin 2025 –
Fellow, Lyndon B. Johnson Centennial Chair in National Policy (2026–2027)

Assistant Professor, LBJ School of Public Affairs, University of Texas at Austin 2018–2025
Fellow to Lyndon B. Johnson Centennial Chair in National Policy (2022–2024)
Stephen H. Spurr Centennial Fellowship (2020–2022)

Affiliated Faculty, Department of Economics, University of Texas at Austin 2024 –

Friedman Faculty Fellow, Real Estate Center, McCombs School of Business, University of Texas at Austin 2024 –

External Faculty Affiliate, Cornell Institute for China Economic Research (CICER) 2018 –

Visiting Scholar, Belfer Center for Science & International Affairs, Harvard Kennedy School 2022–2023
Appointment covered 50% of academic salary

Assistant Professor, School of Public Affairs, Arizona State University 2016–2018

Education

Cornell University, Applied Economics, PhD 2016

Oxford University, Economics for Development, MSc (*with Distinction*) 2006

Stanford University, Economics, BA (*with Honors*) 2005

Fields of Expertise

Environmental & Urban Economics; Applied Econometrics

Research Papers

Publications at UT-Austin

* *indicates author order by contribution. Otherwise order is alphabetical following Economics journal conventions*

1. 2026. Sofia F. Franco and Andrew Waxman*. **Surface Parking Lots in Downtown Areas and the Role of Regulatory Delay in Optimal Dynamic Land Use.** *Regional Science & Urban Economics.*

2. 2025. Hugh Daigle, Sergio Castellanos, Benjamin D. Leibowicz, Arvind P. Ravikumar, and Andrew Waxman. **Making carbon management work – navigating technical and policy uncertainty towards a net-zero future.** *Environmental Research Communications.*

3. 2025. Sheila M. Olmstead, Benjamin D. Leibowicz, Charles F. Mason, Andrew Waxman, Emily Grubert, HR Huber-Rodriguez, and Joseph Stemmler. **How to design better incentives for carbon capture and storage in the United States.** *Proceedings of the National Academy of Sciences Opinion.* 122(29): e2404677122.

4. 2024. Antonio Bento, Kevin Roth, and Andrew Waxman. **The Value of Urgency: Evidence from Real-Time Congestion Pricing.** *Journal of Political Economy Microeconomics.* 2(4): 786–851.

5. 2024. Andrew Waxman, HR Huber-Rodriguez, and Sheila Olmstead*. **What Are the Likely Air Pollution Impacts of Carbon Capture and Storage?** *Journal of the Association of Environmental & Resource Economists.* 11(S1): S111–S155.

6. 2024. Panle Jia Barwick, Shanjun Li, Andrew Waxman, Tianli Xia, and Jing Wu. **Efficiency and Equity Impacts of Urban Transportation Policies with Equilibrium Sorting.** *American Economic Review.* 114(10): 3161–3205.

7. 2024. Gian-Claudia Sciara and Andrew Waxman*. **Views from the Statehouse: Survey Results from State Legislative Committee Members.** *Transportation Research Interdisciplinary Perspectives.* 27: 101245.

8. 2024. Gian-Claudia Sciara, Andrew Waxman, and Ross Buchanan*. **State Legislator Views on Funding 21st Century Transportation: Important Problems, Missed Connections.** *Transport Policy.* 150: 206–218.

9. 2021. Andrew Waxman, Sheila Olmstead, Benjamin Leibowicz, Sean Corcoran, and Andrew Robison*. **Leveraging Scale Economies and Policy Incentives: Carbon Capture, Utilization & Storage in Gulf Clusters.** *Energy Policy.* 156: 112452.

10. 2020. Andrew Waxman, Panle Jia Barwick, Shanjun Li, Yuanning Liang, and Meng Zhao*. **Tightening Belts to Buy a Home: Consumption Responses to Rising Housing Prices in Urban China.** *Journal of Urban Economics.* 115: 103190.

11. 2020. Andrew Waxman, Achmad Khomaini, Benjamin Leibowicz, and Sheila Olmstead*. **Emissions in the Stream: Estimating the Greenhouse Gas Impacts of an Oil and Gas Boom.** *Environmental Research Letters.* Open Access.

Publications while Assistant Professor at ASU

1. 2017. Mary Hallward-Driemeier, Bob Rijkers, and Andrew Waxman. **Can Minimum Wages Close the Gender Wage Gap? Evidence From Indonesia.** *Review of Income and Wealth.* 63(2): 310–334.

2. 2017. Mary Hallward-Driemeier, Bob Rijkers, and Andrew Waxman. **Do Employers' Responses to Crises Impact Men and Women Differently? Firm-level Evidence from Indonesia.** *Review of Development Economics.* 21(4): 1018–1056.

Publications before the PhD

1. 2007. Margaret McMillan and Andrew Waxman. **Profit Sharing Between Governments and Multinationals in Natural Resource Extraction: Evidence from a Firm-Level Panel.** *Brookings Trade Forum.*

Under Review

1. Matías Navarro, Gian-Claudia Sciara, and Andrew Waxman. **Pain at the Pump & the Ballot Box: Gas Taxes & Electoral Penalties.** Revise & resubmit, *Journal of the Association of Environmental & Resource Economists* (submitted June 2026).
2. Andrew Waxman, Ruozi Song, Rajat Kochhar, and Antonio Bento*. **Maintaining Vehicle Emission Reduction Rates Requires Policies to Remove Cars from the Road.** Under review, *Nature Cities*.
3. Joseph Stemmler and Andrew Waxman. **Capture with Credit?** Under review, *Journal of Environmental Economics and Management*, submitted October 2026.

Working Papers

1. **The Long Road to Work: Divergent Effects of Transportation Policies by Worker Skill in a Locational Sorting Model**
2. **Shale Gas Drilling and Municipal Finance** (with Akheil Singla)

Works in Progress

1. **A Long Way from Home: Migration and Commuting in Urban China** (with Yuan Tian and Tianli Xia)
2. **Low Emission Zones in Urban Viet Nam** (with Chi Ta)
3. **When are Energy Storage Subsidies Welfare Improving? Theory and Evidence from California Electricity Markets** (with Daniel Kaffine and Antonio Bento)
4. **Technology Reveals Quality in Carbon Offset Markets** (with Yumeng Zou and Benjamin Leibowicz)

Other (Non-refereed) Publications

Fiscal Opportunities for Transportation in a Shifting Energy Landscape (with Gian-Claudia Sciara), Video Research Summary

Proposed Fee for Electric, Hybrid Vehicles is a Good Idea for Texas (with Gian-Claudia Sciara), UT Austin News, January 20, 2021; reprinted in Dallas Morning News, Houston Chronicle and the Laredo Morning News

Grant Awards & Fellowships

External

Lincoln Institute of Land Policy, "A Long Way from Home: Migration and Commuting in Urban China" (Yuan Tian (International Finance Corporation)) 2025–2026

Alfred P. Sloan Foundation – Energy & Environment, "The Economics of Scaling Carbon Capture, Utilization and Storage (CCUS)" (Sheila Olmstead (PI 2020–May 2024, LBJ School, UT-Austin); Charles Mason (Univ. of Wyoming); Benjamin Leibowicz (Operations Research & Industrial Engineering, UT-Austin)) 2021–2026

National Bureau of Economic Research, "Distributional Consequences of New Energy Technologies" (Sheila Olmstead (LBJ School, UT-Austin)) 2021–2022

National Science Foundation – Division of Electrical, Communications and Cyber Systems, Smart and Connected Communities, "SCC-PG: ECET: Empowering Community-centric Electrified Transportation" (Varun Rai (LBJ School), Mingyuan Zhou (McCombs), Junfeng Jiao (School of Architecture)) 2020–2021

Cynthia & George Mitchell Foundation, "Strategies for Mitigating Climate Impacts of Gulf Coast Industrial Facilities" (Sheila Olmstead (LBJ School, UT-Austin), Benjamin Leibowicz (Operations Research & Industrial Engineering, UT-Austin)) 2019–2020

Real Estate Center, McCombs School of Business, "Friedman Fellow" 2024

Belfer Center for Science & International Affairs, Harvard Kennedy School, "Visiting Scholar Fellowship, "Co-benefits from Carbon Capture, Utilization & Storage"" 2022–2023

Internal

Texas Global – Faculty Research Seed Grant, "Low Emission Zones in Urban Viet Nam" (Chi Ta) 2026 –

Office of the Vice President for Research – Associate Professor Experience (APX) Seed Grants, "Incorporating Biodiversity into the Social Cost of Carbon" 2025 –

Energy Institute – Strategic Energy Seed Grants, "Engineering the Carbon Management System Through Technology and Policy Optimization" (Andrew R. Waxman, Arvind Ravikumar (Petroleum and Geosystems Engineering), Benjamin Leibowicz (Operations Research), Sergio Castellanos (Civil, Architectural and Environmental Engineering)) 2025–2026

Office of the Vice President for Research – Bold Inquiry Incubator Grants, "Developing Critical Research Tools to Evaluate Carbon Management Technologies" (Andrew R. Waxman, Arvind Ravikumar, Benjamin Leibowicz, Sergio Castellanos) 2024

LBJ School Policy Research Institute, "Individual Research Grant – Transit Infrastructure Investment" 2023–2024

IC^2 Institute, "Towards a Well-Being Economy – Concept Paper Proposal" 2022

LBJ School Policy Research Institute, "Individual Research Grant – Transit Infrastructure Investment" 2021

LBJ School Policy Research Institute, "Collaborative Research Grant – Carbon Capture, Utilization & Storage" (Sheila Olmstead (LBJ School)) 2021–2022

Office of the Vice President for Research – Special Research Grant, "On and Off the Rails: Transit Networks and Urban Accessibility" 2019–2020

LBJ School Summer Research Assignment, "Transit Networks and Urban Accessibility" 2020

UT Energy Institute, Fueling a Sustainable Energy Transition, "Decarbonizing the City – Financing and Policy Solutions for Transportation" (Michael Walton (Civil, Architectural, & Environmental Engineering) and Bryan Jones (Government)) 2020–2022

Institute for Social Science Research, Arizona State University, "Resource Extraction and Local Government: The Fiscal Consequences of the Shale Boom" 2018–2019

Teaching

Microeconomics (PA393G) Fall 2018–2021, 2023
Instructor, University of Texas at Austin, Master's (MGPS)

Urban Economics & Policy (PA393L / CRP385C) Spring 2019, 2020, 2022, 2024–2026
Instructor, University of Texas at Austin, Master's (MPAff, MGPS)

Climate Policy (PA388K / PA345) Spring 2020, 2026
Instructor, University of Texas at Austin, Master's (MPAff, MGPS)

Environmental & Energy Economics (PhD) (PA388K / ECO395K) Fall 2026
Instructor, University of Texas at Austin, PhD

Applied Microeconomics for Policy Analysis (PA393K) Fall 2018–2021, 2023–2025
Instructor, University of Texas at Austin, Master's (MPAff)

Environmental & Energy Economics & Policy Seminar (0-credit) Fall 2024, 2025; Spring 2025, 2026
Coordinator, University of Texas at Austin, Graduate

Awards

Provost's Mentored Faculty Scholars 2024–2025

LBJ Dean's Fellowship Award – Course Reduction Spring 2021

LBJ School Graduate Public Affairs Council – Best Transition to Online Learning (Nominee) Spring 2020

LBJ School Graduate Public Affairs Council – Best New Course, Urban Economics & Policy Spring 2019

Professional Activities

Invited Seminars, Panels or Speaker:

Panelist, "Comparing Carbon Capture in Texas," Future Louisiana Conference (Leaders for a Better Louisiana), State of Energy track, Lake Charles, LA, August 2026

Invited Seminar, "Pain at the Pump & the Ballot Box: Gas Taxes & Electoral Penalties," University of Calgary, Department of Economics, October 2024

Invited Seminar, "Surface Parking Lots in Downtown Areas and the Role of Regulatory Delay in Optimal Dynamic Land Use," Federal Reserve Bank of Philadelphia, Research Department, September 2024

Moderator, "Domestic Content & Clean Energy Prices," The Austin Electricity Conference, University of Texas at Austin, February 2024

Invited Seminar, "What are the likely air pollution impacts of carbon capture and storage?," University of Texas at Austin Carbon Capture & Storage Conference 7 (UTCCS7), January 2024

Invited Discussant, "Transportation Externalities & Weather & Climate sessions," Allied Social Science Association Annual Meeting, January 2024

Invited Seminar, "What are the likely health impacts from air pollution due to carbon capture and storage?," Center for Health Environment, Education and Research Seminar Series, Dell Medical School, UT-Austin, October 2023

Invited Discussant, "Housing Sustainability and Affordability Conference," Wisconsin School of Business, University of Wisconsin-Madison, June 2023

Invited Seminar, "Co-benefits of Carbon Capture, Utilization and Storage," Harvard Kennedy School Energy Policy Seminar Series, March 2023

Panelist, "Clean Hydrogen using Carbon Capture, Use, & Storage (CCS/CCUS)," University of Texas at Austin, Energy Institute H2@UT Day, 2023

Invited Presenter, "Harvard-Tsinghua Workshop on Green Hydrogen," Virtual, October 2022

Invited Seminar, "Efficiency and Equity Impacts of Urban Transportation Policies with Equilibrium Sorting," Pennsylvania State University, Energy & Environmental Economics & Policy Seminar, October 2022

Invited Seminar, "Efficiency and Equity Impacts of Urban Transportation Policies with Equilibrium Sorting," Tufts University, Economics Department, October 2022

Invited Seminar, "Efficiency and Equity Impacts of Urban Transportation Policies with Equilibrium Sorting," Online Spatial and Urban Seminar, April 2022

Invited Seminar, "Efficiency and Equity Impacts of Urban Transportation Policies with Equilibrium Sorting," University of California San Diego, Economics Department, April 2022

Invited Presenter, "Co-benefits of Carbon Capture, Utilization and Storage," MIT CEEPR Fall Research Conference, 2022

Invited Seminar, "Leveraging Scale Economies and Policy Incentives: Carbon Capture, Utilization & Storage in Gulf Clusters," University of Texas at Austin Carbon Capture & Storage Conference 6 (UTCCS6), January 2022

Invited Seminar, "Transportation Policies and Household Sorting: Evidence from Beijing," University of Southern California, Sol Price School of Public Policy, November 2020

Panelist, "Energy and Sustainability Policy," LBJ Summer Stretch Environment, University of Texas at Austin, July 2020

Panelist, "Energy Economics of Green New Deal," Energy Week, Energy Institute, University of Texas at Austin, February 2020

Participant, "University Consultative Meeting with Assistant Secretary of Energy Daniel Simmons," 2019

Participant, "Natural Gas Sector," Aspen Dialogue, Houston, 2019

Invited Seminar, "Transportation Policies and Household Sorting: Evidence from Beijing," University of Texas at Austin Department of Economics, Applied Microeconomics Lunch Seminar, 2018

Symposia:

Organizer, "UT Environmental & Energy Economics Workshop", September 2023

Co-Organizer & Presenter, "State Legislators & the Future of Transportation" Brookings Institution Online Event, July 2022

Organizer, "Carbon Management and Community Impacts in the Gulf Region" Beaumont, TX, April 2025

Organizer, "Carbon Management Workshop" Washington, D.C., April 2025

Organizer, "2025 Texas Carbon Management Workshop", April 2025

Conference Talks:

"A Long Way from Home: Migration and Commuting in Urban China," Urban Economics Association Annual Meeting, September 2026

"When are Energy Storage Subsidies Welfare Improving? Theory and Evidence from California Electricity Markets," World Congress of Environmental and Resource Economists (WCERE), June 2026

"Pain at the Pump & the Ballot Box: Gas Taxes & Electoral Penalties," Heartland Workshop, University of Illinois Urbana-Champaign, Department of Agricultural and Consumer Economics, October 2025

"Pain at the Pump & the Ballot Box: Gas Taxes & Electoral Penalties," Allied Social Science Association Annual Meetings, San Francisco, CA, January 2025

"Pain at the Pump & the Ballot Box: Gas Taxes & Electoral Penalties," National Tax Association Annual Conference on Taxation, 2023

"The Long Road to Work: Divergent Effects of Transportation Policies by Worker Skill in a Locational Sorting Model," Allied Social Sciences Association–American Economic Association Annual Conference, January 2023

"Using big data to estimate the environmental benefits of congestion pricing in Los Angeles," Association for Public Policy Analysis and Management (APPAM) Research Conference, Presenter & Session Organizer, March 2022

"Measuring Co-Benefits of Carbon Capture, Utilization and Storage Technology," Association of Environmental & Resource Economists Summer Conference, 2022

"NBER Distributional Consequences of New Energy Technologies," NBER, 2021 (Preconference Workshop) & 2022 (Conference), 2022

"Efficiency and Equity Impacts of Urban Transportation Policies with Equilibrium Sorting," Econometric Society ASSA Meetings, January 2022

"The Value of Urgency," International Transportation Economics Association Summer Conference, 2021

"Using big data to estimate the environmental benefits of congestion pricing in Los Angeles," Urban Economics Association Annual Meetings, 2021

"Pain at the Pump & the Ballot Box: Gas Taxes & Electoral Penalties," Association of Environmental & Resource Economists Summer Conference, 2021

"Shale Gas Drilling and Municipal Finance," Midwest Economics Association Annual Meeting, 2021

"Big Data and Innovations in Urban Mobility," Allied Social Sciences Associations (ASSA) Annual Meeting, Session organizer & Presenter, January 2021

"Distributional Impacts of Co-Benefits from Carbon Capture, Utilization and Storage," UT Social Justice Research Forum, 2021

"Transportation Policies and Household Sorting: Evidence from Beijing," NBER Summer Institute Urban Economics, 2021

"Transportation Policies and Household Sorting: Evidence from Beijing," The Workshop in Environmental Economics & Data Science, 2020

"Transportation Policies and Household Sorting: Evidence from Beijing," Urban Economics Association Annual Meetings, 2019, 2020, 2020

"Shale Gas Drilling and Municipal Finance," Western Economics Association International Annual Meeting, Online, 2020

"The Value of Urgency," Kraks Fond Managing Congestion Workshop, Copenhagen, 2020

"Transportation Policies and Household Sorting: Evidence from Beijing," University of California at Irvine, Urban and Transportation Economics Group, 2019

"Shale Gas Drilling and Municipal Finance," AERE Summer Conference, 2019

"Transportation Policies and Household Sorting: Evidence from Beijing," Brookings-Tsinghua Center China Transportation Conference, Beijing, 2018

Media Coverage:

"Philadelphia needs more housing. So why does Center City still have so many parking lots?," Philadelphia Inquirer *Cites Franco & Waxman (2026), Regional Science & Urban Economics*

"Will Carbon Capture Make Local Air Pollution Worse? with Andrew Waxman," Resources Radio (Resources for the Future podcast)

"Texas drivers vexed by toll road payment problems got little relief from state lawmakers," Texas Tribune

"Offshore oil is about to surge," E&E News

"Leveraging Scale Economies and Policy Incentives: Carbon Capture, Utilization & Storage in Gulf Clusters," Argus

Texas Energy Sector Commentary, Texas Climate News

"Emissions in the Stream: Estimating the Greenhouse Gas Impacts of an Oil and Gas Boom,"

Scientific American
AXIOS
NASDAQ
Texas Observer

Policy Engagement:

Provided draft research on the air-quality impacts of CCUS (with Sheila Olmstead and HR Huber-Rodriguez) to U.S. EPA staff reviewing Section 111 greenhouse gas standards for fossil-fuel power plants; correspondence and a briefing meeting, 2024

Professional Affiliations: Econometric Society, National Tax Association, American Economic Association, Association of Environmental and Resource Economists, Urban Economics Association, Transportation and Public Utilities Group (TPUG), International Transportation Economics Association, Association for Public Policy Analysis and Management

Service Activities

Service in Field:

Association of Environmental & Resource Economists, CoCE Committee (2025 –)

Urban Economics Association, Annual Meeting Program Committee (2024 –)

Session organizer, urban air pollution session, Urban Economics Association 2026 Annual Meeting (May 2026)

Reviewer, AAEA annual meeting session submissions (February 2026)

American Real Estate and Urban Economics Association (AREUEA) Website Committee (2023)

Association of Environmental & Resource Economics (AERE) Conference Graduate Student Engagement (GSE) Mentor (June 2022)

University Service:

Chair, MGPS Graduate Studies Committee (2026 –)

Chair, International Economic Policy Assistant Professor Search Committee (2026 –)

LBJ Third-Year Review Committee (member) (October 2026)

LBJ Student Signature Projects, Microeconomics & Methods Convener (2024)

LBJ Health Economist Search Committee Member (2024–2025)

Organizer, University of Texas at Austin Environmental & Energy Economics & Policy Seminar Series (2024 –; speaker series supported in part by the Janet F. Harte Lectureship in Population Issues Endowment, 2026–2027)

LBJ Policy Advisor: Energy, Climate & the Environment (2024 –)

External Reviewer, Community & Regional Planning Doctoral Program, UT School of Architecture (April 2024)

Graduate Steering Committees: LBJ MGPS, LBJ MPAff, LBJ PhD, Jackson School of Geosciences Energy and Earth Resources MS (2018 –)

LBJ Microeconomics Coordinator (2023 –; also 2019)

LBJ Ph.D. Comprehensive Exam Committee (2020–2021)

PT2050 Metropolitan LBJ Faculty Hire Selection Committee (2019)

Energy @ UT Faculty & Researchers Round-Up (2019–2021)

LBJ Performance-Based Assessment Committee (2019–2020)

LBJ PhD Admissions Committee (2019–2020)

Planet Texas 2050 Economics advisory group (2019)

LBJ Master's Admissions Committee (2018–2019)

ASU School of Public Affairs MPA/MPP Committee (member) (2017–2018)

School of Public Affairs ASU Online Committee (member) (2016)

Referee:

Journal of Urban Economics, 2025, 2026

Journal of Environmental Economics and Management, 2018, 2021, 2025 (x2), 2026

Student Mentorship & Advising

PhD:

Yoojin Cha, LBJ School, UT-Austin (committee member)

Rydell Walthall, Civil, Architectural and Environmental Engineering, UT-Austin (committee member)

Haijing Liu, Architecture, UT-Austin (committee member – Researcher, National Renewable Energy Lab.)

Jiameng Zheng, LBJ School, UT-Austin (committee member – Post-Doc., University of Illinois Urbana-Champaign)

Julian Plough, LBJ School, UT-Austin (committee member – Post-Doc., University of North Carolina at Chapel Hill)

Alfonso Rojas-Alvarez, LBJ School, UT-Austin (co-supervisor – Assistant Professor, UTEP)

Milad Eghtedari Naeini, Operations Research and Industrial Engineering, UT-Austin (committee member – Senior Data Scientist, Circle K)

Michael Moore, Civil, Architectural and Environmental Engineering, UT-Austin (committee member – Traffic Engineer, HNTB)

Shunhua Bai, Architecture, UT-Austin (committee member – Research Scientist, Texas A&M Transportation Institute)

Avralt-Od Purevjav, Cornell University (ad-hoc committee member – Post-Doc., Univ. of Bern)

Yuanning Liang, Cornell University (ad-hoc committee member – Assistant Professor, Peking University)

Master's:

Rydell Walthall, Civil, Architectural, and Environmental Engineering and LBJ School, UT-Austin (thesis advisor)

Undergraduate:

Chancellor Nettles, Public Health, UT-Austin (Bridging Disciplines Mentor)
